

RESEARCH PROPOSAL

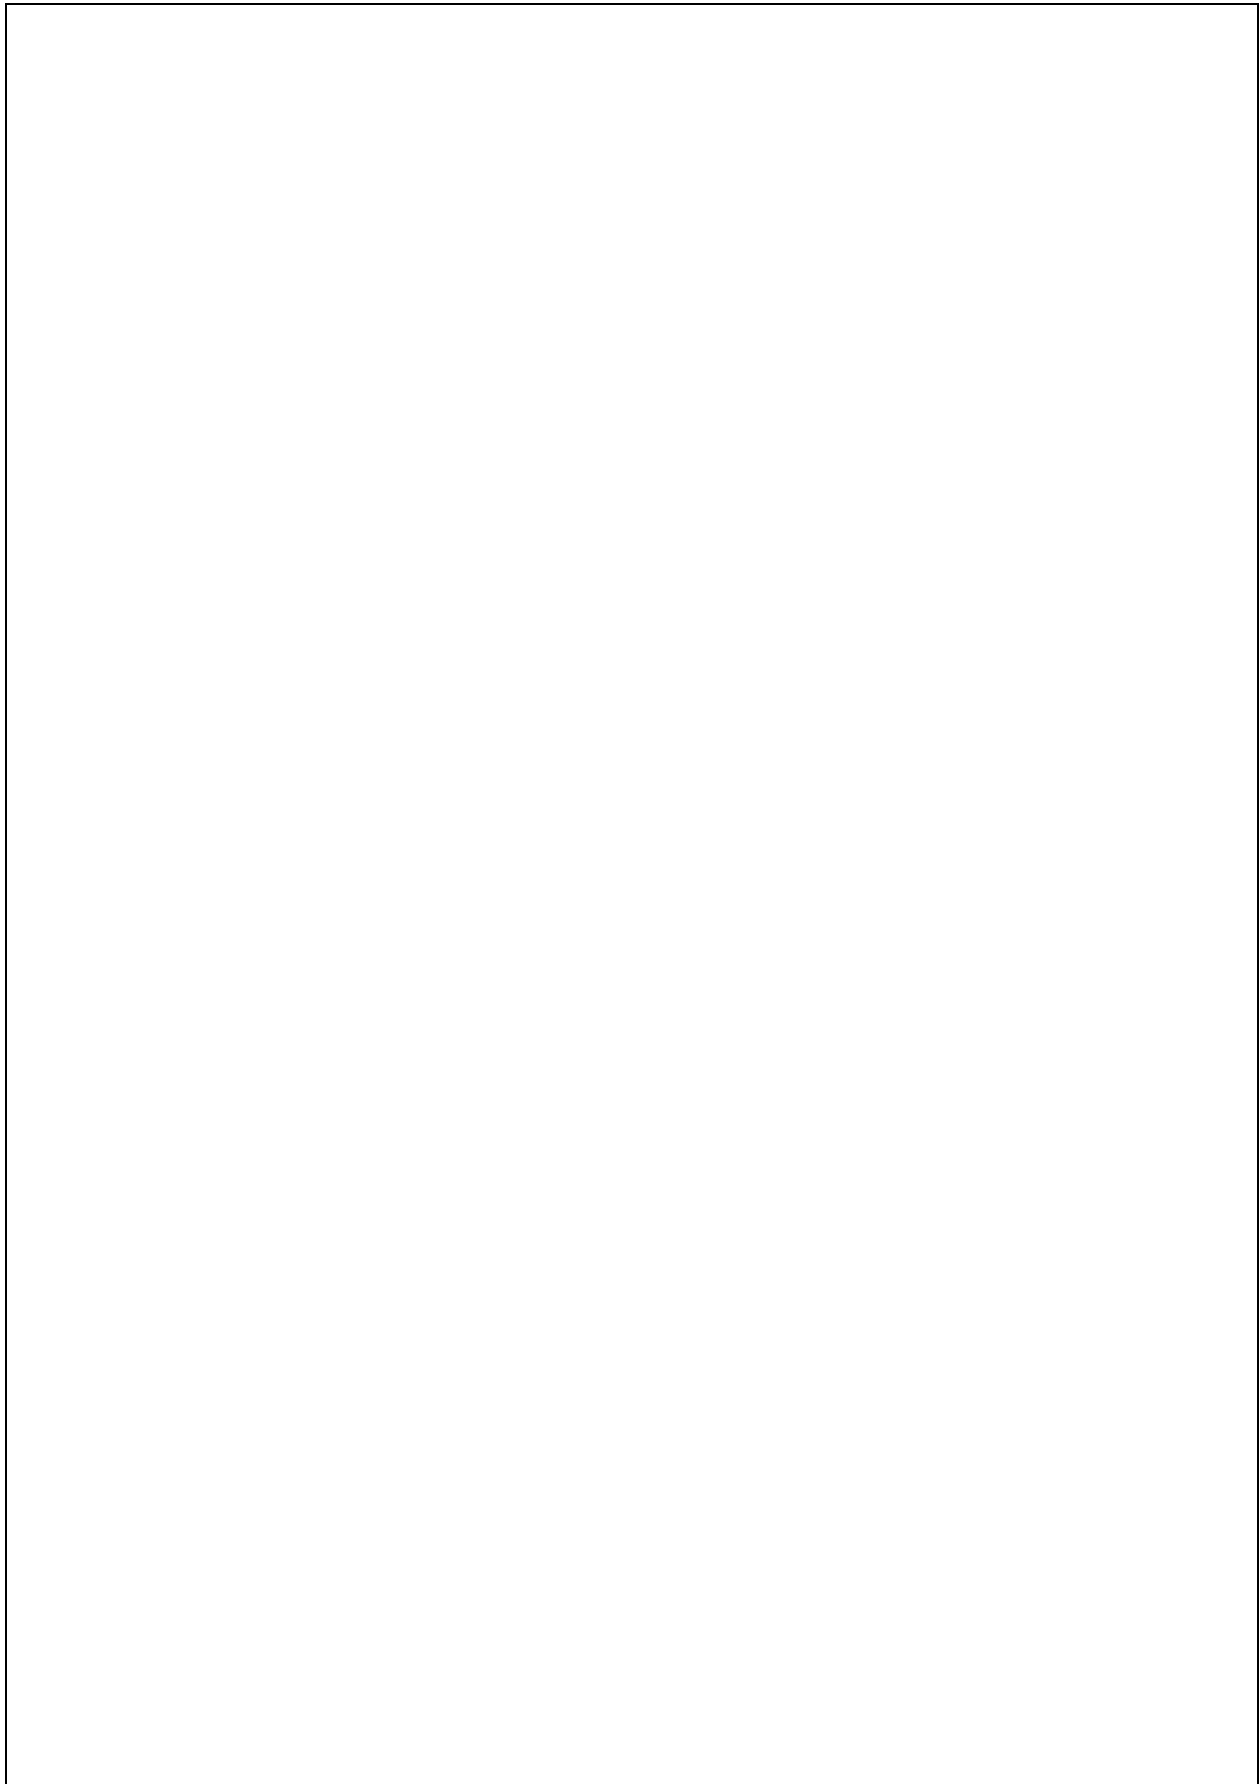

Candidate	
Research Proposal Title	
Curriculum	

PLEASE NOTE: If you are applying for places with scholarships bound to specific research topics ("borse a tema vincolato"), the research project must be consistent with the scholarship topic – Please refer to the relevant description sheets.

1) **Abstract** (max 3500 characters with spaces)

A large, empty rectangular box with a thin black border, intended for the user to write the abstract. The box occupies most of the page below the instruction.

2) State of the art and background (max 3500 characters with spaces)

A large, empty rectangular box with a thin black border, intended for the user to write the state of the art and background. The box is currently blank.

3) Research objectives (max 2800 characters with spaces)

A large empty rectangular box intended for writing research objectives.

4) Methods, Timeline, and Data Sources (max 8400 characters with spaces)

A large empty rectangular box intended for the user to provide details on Methods, Timeline, and Data Sources.

5) Expected results (max 2800 characters with spaces)

A large empty rectangular box intended for writing the expected results.

6) References (max 20)

7) Cover letter (max 2800 characters with spaces)

Please describe your aptitude and motivation for postgraduate study in your area of specialization, including your preparation for this field of study, and your future career goals; please highlight why the PhD Programme in Historical, Geographical and Anthropological Studies of the University of Padua and Ca' Foscari University of Venice is the most appropriate choice; point out if there are professors of the Academic Board whose work interests you in a particular way and professors, you think, may be important reference points for the development of your research project; keep in mind that this PhD course requires an active attendance in seminars, especially during the first year

8) Describe interdisciplinary aspects, innovative and original aspects, interactions with other projects and/or institutions, if any (max 2800 characters with spaces)

A large empty rectangular box intended for the user to provide a detailed description of interdisciplinary aspects, innovative and original aspects, and interactions with other projects and/or institutions. The box is currently blank.
